

GOS-UNDP-GEF PROGRAMME COORDINATION UNIT

LOCAL CONTRACT

The GOS-UNDP-GEF Programme Coordination Unit (PCU) within the Ministry of Agriculture, Climate Change and Environment (MACCE) is implementing a GEF funded project entitled “A Ridge to Reef Approach for the Integrated Management of Marine, Coastal and Terrestrial Ecosystems in the Seychelles” (Ridge to Reef Project). The PCU is currently **seeking contractors, preferably on Praslin**, to carry out the following assignment:

PRODUCTION OF CONTAINERISED NATIVE TREES FOR COASTAL FOREST AND WETLAND REHABILITATION ON CURIEUSE

Work is expected to commence in **August 2021**, for over a period of 6 months, and end in **February 2022**.

Terms of Reference is available in electronic or paper form from the address below. A full description of duties is provided in the Terms of Reference. These must be consulted before making an application.

General Qualifications/Experience and Skills required

- Experience of growing trees in nursery conditions, and at least 3 years of experience in growing native plants.
- A good knowledge of native trees and the ability to identify species.
- Knowledge or past experience working on GEF-UNDP, AF-UNDP or other donor funded projects is an advantage.
- Proven track record of delivering on time for past contracts/project.
- Demonstrated examples of similar work done.

Applications MUST include: (a) A cover letter describing experience and qualifications, (b) A simple work plan or timeline, (c) A financial proposal linked to the work plan, (d) your Tax Identification number (TIN) from the Seychelles Revenue Commission.

NOTE: Applications from women and youth are encouraged

Proposals should be sent to:
